Accordingly, this mot, as it relates to 98-2243 and 98-6369 will be heard by the trial judge in Guam. This Crt will hear the mot as it relates to 98-6387, 98-6388 and 98-6389, on 5/14/01 at 10:00 a.m. by Judge Harry L. Hupp CR: not present (re: MDL 1237) (pbap) [Entry date 05/09/01] [2:98cv2243]

5/23/01 136 MINUTES by Judge Harry L. Hupp: With the except of one sub-issue, the mot of dft Serco for summary jgm is DEN by reason of the existence of triable issues of fact as to negligence & proximate or legal cause. It seems most efficient to try the liability issue as to Serco in those cases where only Serco is a dft first, bef one judge, & get a liability finding. If damage trials are thereafter necessary, the case can be sent out for individual damage trials. Accordingly, the crt intends to modify the PTC ords already submitted, specifying that there shall be liability trials bef one judge in the Central District, to Precede any damage trials, w/ damage trials to proceed individually if liability is found. Cnsl should expect the modified PTC ords imminently, followed by info as to identity & date of a stat conf bef the selected trial judge to set a date for a liability trial. CR: Cynthia L. Mizell. CR: n/a. (gk) [Entry date 06/06/01] [2:98cv2243]

9/5/01 153 MINUTES: Mot to dism. Cases CV 98-2243(c) (b) (d) and 98-6388 as to Serco s liability will need a pretrial conf for liability trial in Central Dist. That pretrial conf is set for 9/26/01 at 9:00. It is contemplated that these cases will be transferred to another judge in this dist for liability trial at the conclusion of the pretrial conf, by Judge Harry L. Hupp CR: Cynthia L. Mizell (tw) [Entry date 09/06/01] [2:98cv2243]

9/17/01 162 MINUTES: OSC re failure to comply with Local Rule 9. ORD that none of the does required by Local Rule 9 has been filed. The following does required by Rule 9 have not been filed: Orig jnt pretrial ord (faxed copy received at 5:30 p.m. on 9/14/01. Jnt exh list made necessary by addition of United States. Witness lists of the parties. The PTC is contd to 10/1/01 at 11:00. Plf(s) is/are to show cause at that time why this action should not be dism for lack of prosecution. Dft(s) is/are to show cause at that time why the ans (and counterclaim) should not be stricken and default entered. Plf(s) and Dft(s) are to show cause at that time why sanctions pursuant to Local Rule 27 should not be assessed. All docs including all Rule 9 docs, if the action is allowed to proceed, must be filed on or 9/24/01. It now appears that CV 98-2243(d) need to be further severed. The portion of CV 2243(d) dealing with the death of decedent Kim, Yoo Kyoung is now severed from the balance of CV 98-2243(d) and is given the designation CV 98-2243 (d) (1) . The portion of CV 98-2243 (d) relating to the death of Kim, Woo Kyoung is now designated as action no. CV 98-2243 (d) (2) . CV 98-2243 (d) (1) has previously been consolidated with CV 01-4538 (h) and will be transferred to the District of Guam for trial. Case no. Cv 98-224.3(d) (2) (Kim, Woo Kyoung) is not concerned with this case and will have a pretrial for liability

9/24/01 160 RESPONSE by movant USA to OSC filed 9/17/01 (shb) [Entry date 09/26/01] [2:98cv2243]

10/1/01 163 MINUTES: Proceedings: PTC & ORD transferring actions to District of Guam for Trial. The PTC ord consolidated actions is signed and filed this date. The consolidated actions are ordered transferred to the District of Guam by this minute order. All OSCs are vacated, the responses eing satisfactory. The crt also notes that this case is to be distinguished from the actions involving the decedent Kim, Woo Kyoung, No. CV 98-2243(d) (2), who was a different person, with the action involving that different person being retained in the Central District (because the US was not a dft in that action and, therefore, the Tort Claims Act venue pervisions did not apply). This clarification is set forth here in an attempt to avoid confusion in the District of Guam. On arrival of this case in Guam, the crt believes that Judge Unpingco will set a status conference by Judge Harry L. Hupp. (re: 98-2243(d) (1) & CV 01-4538(h); re: MDL 1237 CR: Cynthia L.
